Justification

By decision of August 10th, 2022, ref. GKiR.6830.4.2021, the Head of the Wilków Commune decided to demarcate the real estate located within Wilków, Wilków Commune, marked as plot No. 590/1 (owned by Tomasz and Agnieszka Kuś) with adjacent adjacent real estate, marked as plots No. 589, No. 740 (owned by Anna Roberts-Meier) and No. 717/1 (owned by the Land Community of Wilków).

Yes - there was no mention of Plot 586 - so we don't accept the inclusion of Plot 586 in the demarcation. This confirms what we have always said - they pretended our own borders were in dispute to complete the antisemitic blockage of our public access by transferring public 717/1 land into private 590/1 hands. Our neighbours have also built on this public land without permission.
